A message from our Chair—J'Net Chambers

What happens next?

As we race toward the end of the year we look back at 2015, reflecting on things that happened. As Chair of the Texoma Emmaus Community I have been asked many times: What happens next? How do I get to do this? "This" being the opportunity to be on a walk weekend. How do I get involved? The answer may seem, but is not, complicated.

The standard for an Emmaus Community is set by the Upper Room. They guide us in our rules, by-laws, and procedures. The suggested line of progression is

- 1) Cha;
- 2) Assistant Table leader (ATL);
- 3) Table Leader (TL) (twice)
- 4) Assistant Lay Director (ALD) (three times);
- 5) Lay director.

Once a pilgrim has completed a walk, they can immediately serve the community in 4th day events. Do you recall that every day after your 3 day walk is a 4th day? The workings behind the scenes of an Emmaus walk is called 4th Day. This is the best way to begin progression. Your involvement will help you become familiar with procedures, assist in learning about the community, and help the community meet and get to know you and vice-versa. Involvement in 4th day prepares you to work as a CHA (Christ Hands in Action).

The 4th day chair is responsible for recruiting the Chas for each walk. Getting to know you helps that individual fill those positions. Working as a Cha is a path to working an inside team. Five or six Chas are needed for each walk. During the walk they clean, set out snacks/beverages, clean the conference room, restrooms, working where needed.

The Kitchen leader arranges for the kitchen Cha's that prepare and serve all the weekend meals, wash dishes, clean the dining hall. Approximately 5-6 Kitchen cha's are needed for each walk. (continued on page 2)

CHA positions change each walk, allowing as many members as possible the opportunity to serve and become involved, thereby working their way through the progression. Approximately 100 pilgrims join the community each year. If there are approximately 50 CHA positions a year, you can imagine how long it might be to get the opportunity to work.

An ATL assists the table leader during the walk. The TL gives a talk and guides the table discussions. The ALD's give a talk, assists the lay director, working in a specific capacity each time gaining knowledge and experience for the day that they will be a Lay Director.

Individuals typically work 1 walk per year as mandated by the Upper Room. Given a perfect scenario, if you were a pilgrim on Walk 92, the earliest you could be lay director would be 2022. Many things impact progression. For example. I took my walk in June, 1999, worked my first walk in 2004 and have not yet been lay director. Many people are waiting in the line of progression. And while that is often a bitter pill to swallow it's the nature of the beast so to speak. This is God's time.

Even though you may be unable to serve on a team, but want involvement, there is much to be done. So much happens before and after that 3 day event. It takes a community and 4th day activity is endless. Attend send off - serve food, fix tea, pray over the cross of one you do not know; attend candlelight - hand out candles, help with communion, direct traffic, sign up for day care; camp set up and take down, clean toilets and showers, sweep/mop the floors, set up a chapel, clean up after send off, sign up to pray during the walk, help make those colorful lanyards we all wear (they are all handmade - not purchased). Attending send off and cross dedication I learned how I was prayed for on my walk. Each task reveals something about the workings of a walk. Attend follow up and gatherings. You will meet other community members. Sit down next to someone you don't know, introduce yourself and make a new friend.

To answer to the question "What happens next?" - Much. You are invited. Please come and be the hands and feet of Christ. He is counting on you.

DeColores,
J'Net Chambers

A message from our Registrar— Ben Foytik

Well, 2015 is coming to a close and the Texoma Emmaus Community can celebrate four more successful walks ! To all those who were inspired to step up and sponsor a pilgrim for one of these walks, I again say thank you for your perseverance in pursuing your desire to share this life changing experience with others.

I'm certain that there are many more individuals out there that are inspired by reading and hearing the words of our Lord, and yet, they still desire to get to know him even better. Something inside of them is speaking softly to the heart"these words give me such a sense of peace and hope but I feel like there's more that I'm missing somehow"

Just imagine if you could make those words jump off of the page and come to life right before their eyes. The three day journey on a weekend walk to Emmaus has the potential to make that happen !

It is where you can discover the incredible fullness of his mercy and grace and gain a more complete understanding of what "loving your neighbor as yourself" looks like in action when a community of believers comes together united in that one purpose.

It is what the body of Christ ideally should look like !

Can you think of a more inspiring gift to give to someone you know ? Take a chance and trust that Christ will show you the way while giving you the strength to be that selfless sponsor as you prayerfully consider who that person might be that God is pointing out to you.

De Colores !

Grace and Peace,

Ben Foytik

A message from our Agape Chair-Leeora Bryant

Hello Texoma Emmaus Community !!!

Jesus speaks in John Chapter 15:9-12 saying... As the Father hath loved me, so have I loved you: continue ye in my love.

If ye keep my commandments, ye shall abide in my love; even as I have kept my Father's commandments, and abide in His love. These things have I spoken unto you, that my joy might remain in you, and that your joy might be full.

This is my commandment, that ye love one another, as I have loved you.

We the members of The Texoma Emmaus Community, as followers of Jesus Christ would all love to continue having The Joy That Jesus Possesses, which is love. Not to keep amongst ourselves, but to share with others. The Greatest Love Of All... Agape Love !!! Love from God to Man, from Man to God !!!

Giving love not expecting anything in return. It's Sacrificial, It's Selfless, It's Unconditional Love. The highest love of four types of love, Agape, Eros, Philia, and Storge.

During this year (2015), you The Sponsors, Community Members and Reunion Groups of Texoma Emmaus Community have prayed, wrote letters, made place mats, prayed, made table agape, bed agape, contributed scrumptious food agape, and brought covered dishes to send offs and gatherings, and prayed some more...!!! Each task expressing God's Agape Love. The Community, and Pilgrims of 2015 thank you !!! You are truly appreciated !!! Remembering Agape Love that we received on our Walk to Emmaus. Thank you for sharing your unconditional love from God through you for God's People.

Please continue to pray for potential future pilgrims sent by God for our next four Walks coming up in 2016. Even though we can't call them all by name now, God knows. This year was the 20th year of the existence of our Texoma Emmaus Community !!! All the glory goes to God !!! I am looking forward to the next 20 years of Texoma Emmaus Community Walks to Emmaus to share God's Love to "Make Fishermen of Men.

"Hebrews 13:1-2" Let brotherly love continue. Be not forgetful to entertain strangers for thereby some have entertained angels unawares.

A Message from our Spiritual Director—Donny Haywood

May grace and peace be yours in abundance in the knowledge of God and of Jesus our Lord!

What a wonderful greeting! In case you are wondering, that comes to us from 2 Peter 1:2. I have to smile as I read these words. Isn't this how we should all feel and present ourselves to others? We are fast approaching Thanksgiving, the season of Advent, and Christmas. And we have so much to be thankful for.

We are seeing some really exciting things happen in our churches and in this community. I believe that we should recognize that we are front row for a new movement in the world of Christianity. If we just look at some of the joyous things that are happening around us- new faces coming to worship, and children and adults receiving Christ into their hearts- some for the very first time! What a joy it is for us to see their joy. This is God calling God's people back into relationship. It is what we were made for and who we are.

As we make our way through the remainder of the year, be thankful. Be joyful. Let's greet the New Year with a smile on our faces because of the Christ on our hearts. As we look to the Walk to Emmaus next year, remember to invite others into this relationship. Just like we aren't forced, we shouldn't force them. Instead, love them into our community and let's continue to watch Jesus work. Is there anything greater?

Blessings,
Donny

A Message from our Outgoing Spiritual Director—Samantha Parson

Dear Texoma Emmaus Community,

I want to thank you for the privilege of serving as your Community Spiritual Director for the past four and a half years. When I was asked to serve by then Chairperson Barry Ebersburger, I had no idea the blessings upon blessings I would receive.

I have stepped down from this position because I have come to an exciting time in my life in ministry. In the United Methodist Church, the path to ordination involves various requirements to mark and mold ministers into effective servant leaders in the church. I have reached the point on this path to be recommended to go before the North Texas Conference Board of Ordained Ministry to communicate my readiness and passion for ministry and my willingness to serve wherever the church and the Bishop has need.

The Texoma Emmaus Community is blessed to have Donny Haywood to take over the position of Community Spiritual Director, and I am thankful for his willingness to lead and excited to see how the Lord will use him in this position. Please pray for him in his transition.

I also ask for your prayers as I prepare paperwork for the Conference Board that I will submit in December. I ask for your prayers as I interview with the Board the last week of January. And I ask for your prayers as I seek to be faithful and obedient to the work God has called me to do.

I am a proud member of the Texoma Emmaus Community, and I pray the Lord will continue to allow me to participate in events and on teams as I am able. The Texoma Community will forever hold a special place in my heart. It was through participating in service on Emmaus teams that I was able to uncover and move into my call to ordained ministry. Thank you for your encouragement and support during our time together. I keep you in my prayers.

De Colores,
Rev. Samantha Parson

A Message from our Vice Chair— Sandra (Carter) Wood

Dear Emmaus Community,

As we wrap up 2015, as I reflect on the 4 wonderful walks that we have had, the warm fellowship at Gatherings and Follow Ups, I am humbled and awed by the Grace given us by our Savior and Lord. We have been truly blessed this year!

We will have our final Gathering of the year on December 5th at noon in a very special place, Virginia Point United Methodist Church in Savoy, it is the oldest operating church in the North Texas conference. I am looking forward to seeing everyone in this beautiful place, and many thanks to Virginia Point for hosting us.

I started the year as Treasurer of the Texoma Community, I end the year as Vice-Chair. We have had a few changes during the year, due to changes in the lives of a few of our board members. As with every season, there are changes in each our lives and the community goes forward, blessed by willing servants.

I was honored and humbled to serve as Board Rep on Walk 91, it was such a wonderful weekend and God revealed many truths to me that weekend and opened my eyes in many areas. I am so blessed to be a part of this community. I give thanks for each of you and for all that our Lord has done among us this past year.

Sincerely,
Sandra Wood
Vice-Chair

A Message From Our New Music Chair—Craig Parson

Howdy All,

I am Craig Parson the newly appointed Music Chair for your Emmaus community. My goal is to have meaningful and spirit-filled worship experiences at gatherings, candlelight, or during a walk. I am recruiting singers and musicians. If you are interested in participating as a singer or musician, please go to the follow webpage to complete information: bit.ly/TECMusic. I look forward to working with our musically-inclined members of the community! Please contact me at theparsonclan@me.com with any comments or concerns.

De Colores!

From our Gatherings and Follow-Up Chair—Chuck Bell

Hey brothers and sisters, we have a gathering coming up December the 5th, with our Board Meeting at 10:00am and the Gathering following at 12:00 noon. Interest has started building this year, and the last walks, and follow ups have been attended strongly. Please don't let this momentum fade away! Let's show up in force at Virginia Point Methodist Church. 1386 County Road 1200 Savoy Tx. You can google the location. This is one of the most historic churches in North Texas, and is an occasion not to be missed. In addition the first gathering of the new year will be at FUMC Van Alstyne on January 23rd.

With Spring walks rapidly approaching, let's aim for 30 Women, and 30 Men. I would love to see full walks in our future.

DeColores,
Chuck Bell

From our Newsletter Chair—John Orozco

This is my last year on the board and my last opportunity to develop the Texoma Emmaus Community newsletter. I have enjoyed serving our wonderful community the past three years and look forward to participating in many Texoma Emmaus Community events in the future. We have a wonderful family connection as brothers and sisters in Christ Jesus within our community and I want to encourage each of you to participate in community events every chance you can.

As many of you know, our community is 20 years old this year! Many of our community members are charter members of the community and were instrumental in establishing the Texoma Emmaus Community that we love and enjoy. I look forward to seeing what God has in store for us the next 20 years.

DeColores,

John Orozco

Kitchen Love

I want to first say it has been a true blessing serving the Texoma Emmaus Community the last 5 years...Yes as 4th Day Chair for 3 yrs and then onto the Kitchen Coordinator for the last 2 years. It has been an honor helping fill teams for each walk of God's servants to be His hands and feet dishing up "Love on a Plate." I have however chosen to step down early from my position to be beside my husband on the journey God has him on these last days and for our family to cherish time more closely. John and I are so blessed by our Emmaus family and appreciate all your prayers and support. We will continue to be a part of the community always in some way. The way God is, He has provided greatly for this position in that Chuck Everset has agreed to step in as my replacement for 2016. So I would like to welcome him to this position and board. Reunion Groups are encouraged to contact Chuck if your group would like to serve as Kitchen team or even if you personally want to serve on a team.

A few words about THANKS from your Database chair....

Thanksgiving is only a few weeks away and then the hustle and bustle of the holidays is upon us! With retailers opening on Thanksgiving evening it is making it harder for families to spend the whole day together celebrating and enjoying one another.

I've always loved Thanksgiving because it is about the family coming together and there is no commercialism attached. I love cooking together with my husband Brian (he's in charge of the turkey) and I do all the sides and dessert. Ours is usually a very small gathering (of four) since our extended families all live up north but we always take the time before we dig into the feast to say what we are "thankful" for.

The Bible has much to say about thanks. God's Word suggests that we give thanks, tells us how, where, when, why and how often we should give thanks. It also shows Jesus setting an example for us by He Himself giving thanks.

Paul says in 1 Thessalonians 5:18, "in everything give thanks: for this is the will of God in Christ Jesus." I admit it is hard to give thanks when you are going through trials or hardships but we must remember- God is Good, All the time!!

Let's all remember this Thanksgiving what we are truly thankful for, God's Son!! I am also thankful for my Emmaus brothers and sisters! De Colores!!

"O give thanks unto the Lord for he is good, for his mercy endureth forever"

Psalm 106:1

Happy Thanksgiving,
Colleen Reilly

As we look at our past 20 years, I wanted to include this article from one of the first newsletters dated January, 1995. It is from Liz Black who was the chair of the newly formed Texoma Emmaus Community. Enjoy a bit of our history...

From the Texoma Chairman of the Board:

Moving here from Lubbock and the Emmaus Community there in 1992, I was delighted to learn that Dallas Emmaus was so strong and active in this area. It was even a greater delight to find out that Texoma was growing in pilgrim numbers and desiring to start a new community.

Well, we couldn't have done it without the cooperation and support of our "parent" community in Dallas. Dallas has been more than willing to use Texomans on walk teams and to conduct weekends at the lake so Texoma folks could walk a bit more conveniently. Now here it is, 1995, and we are paddling our own canoe!

Like all risk taking, there is some degree of fear we face in going it alone. But on the other side of the equation, is the gain to be made by separating from a larger community. The feeling of ownership we will have regarding the decision making of the community will be a benefit. It will be done locally and the opportunity for involvement will increase for all Texomans. Another benefit to be admired by all is more Texomans will have a chance to serve locally where it will be easier. And let's not forget the ones we will be serving—the PILGRIMS! God will use the walks to revitalize these special ones, to fit them for continued service in their local churches.

Is there a spiritual awakening going on in America right now? Perhaps what we are doing here will in some small way be of service to God's kingdom on earth and for our society. People who are filled with the Spirit just naturally use a different perspective, their priorities are not the ones the world suggests they be. These folks, pilgrims, take that dose of the Holy Spirit back into the community and make a difference in other's lives. That is what becoming an Emmaus community is all about. I am very excited for what is happening here this year and I hope we can convince you to be excited too.
