Things to remember as a sponsor.

The candidate must be active in their local church.

IF the candidate is married, you have discussed The Walk to Emmaus with their spouse?

The candidate should not be preoccupied by other situations or emotional strains that will prevent him or her from giving their full attention to the experience at their walk.

Be sure to have explained the Emmaus weekend, including follow-up activities to the candidate and answer any questions they may have. Remember there is nothing secret about Emmaus.

Your responsibility is to the candidate's family once the weekend begins, therefore they should expect to have no contact with you or their family during the weekend.

Your commitment as a sponsor.

As the sponsor, you must ensure that arrangements have been made for your candidate to get to their walk. Ideally, you should take the candidate to the site personally.

Be prepared to assist in caring for the needs of your candidate's family over the weekend.

Bring AGAPE, food, drink, etc. for the weekend.

It is your responsibility to participate in all Emmaus functions scheduled during the weekend including send off, sponsor's hour, candlelight, and closing.

Bring your candidate to Follow-up.
